

Athletic Forms Needed to Obtain a Blue Card

All of these forms can be found on the district website, go to the High school page, then choose the athletics tab to find these online forms.

Each of the following forms must be brought to the office when your child chooses to participate in a sport:

- Athletic Physical Card (signed and dated by a physician) – OR – Alternate Year Physical Card (*Verification needed by the office that your student does not need a physical that year. This can be done via a phone call to the office at 893-6911.*)
- WIAA Athletic Eligibility Form (Signature page needs to be signed, dated and returned.)
- PHS Athletic Code (Signature page needs to be signed, dated and returned.)
- Concussion Form (Signature page needs to be signed, dated and returned.)

NOTE: To obtain their initial blue card, a student must bring all four forms to the office.
